Dear potential sponsor,

Please consider becoming a corporate sponsor of the OIAAA – the only professional organization in the state for Athletic Directors for secondary schools. The OIAAA is committed to assisting athletic directors as they impact the lives of thousands of student-athletes on a daily basis. Your sponsorship will help us to provide programs such as annual college scholarships for deserving students, professional development and continuing education courses for athletic administrators.

We have 4 sponsorship levels for your consideration, or we could customize any sort agreement that might fit your needs.
