

The logo for the Oklahoma Interscholastic Athletic Administrators Association (OIAAAA) features the acronym 'OIAAAA' in large, bold, red, 3D-style block letters with a black drop shadow. The letters are positioned above a white rectangular area that is shaped like the outline of the state of Oklahoma, with a black border. The text 'OIAAAA' is partially contained within the top portion of this white area.

Official Nomination Form

GENERAL CRITERIA

All candidates must have exhibited a sustained superior performance throughout their career exemplifying the highest standards of sportsmanship, ethical conduct, and moral character.

All candidates for the Hall of Fame must have had at least ten years of experience prior to September 1st of the applicable year in order to be considered for indication. Retired candidates are preferred.

Athletic Administrators will be considered on the merits of their service as high school athletic administrators or state athletic administrators.

All candidates will be judged on their significant and/or long term contributions to interscholastic athletics. While many have served programs over a long and distinguished career, their accomplishments must have been worthy of state recognition for them to be considered. Longevity without meaningful state impact does not constitute the necessary credentials for Hall of Fame consideration.

Nominees for the Hall of Fame will either be:

- approved and sent to the Selection Committee
- put on hold

The “hold for further consideration” category means a nominee may be considered again for the induction and additional information and supportive material possibly would be helpful before future consideration.

The OIAAA Hall of Fame is organized as a means of recognizing, preserving and promoting athletic administrators. The award is the highest honor an athletic administrator can receive for his/her contributions and accomplishments on the state level. Further, the award sets a standard for athletic administrators to emulate.

INSTRUCTIONS

A complete nomination form and supporting letters of recommendation must be received by December 1st for the candidate to be considered for the following year's class. The completed nomination form and support materials should be sent to OIAAA, 109 N. Armstrong, Bixby, OK 74008
ATTN: Hall of Fame/Stephanie Blackwell. All information submitted will become the property of the OIAAA.

A completed nomination form must be accompanied by letters of recommendation from the nominator and the state athletic directors association. When support material is difficult to obtain, additional letters may be in order to substantiate the individual's accomplishments and/or contributions. Letters of recommendation for other awards or honors should not be used as a substitute for the requirement. A limited number of newspaper clippings, magazine articles, should be included to help substantiate the accomplishments and contributions of the nominee. These materials should focus on high school accomplishments and contributions listed and be in chronological order.

Please use the following guidelines when preparing the nomination materials:

1. All materials should be submitted on 8 ½" by 11" paper.
2. Nominators should sign their names on page 4 of the nomination document.
3. Do not use highlighters to point out specific facts, underline or draw arrows to mark copy.
4. All materials should be presented in typewritten form.
5. Do not use notebooks with plastic cover sheets.
6. Put names on photos.

A school shall have only one inductee annually. This inductee should meet qualifications and requirements of the state athletic administrators association. All inductees must be present at the induction ceremony.

The OIAAA Hall of Fame will be held in conjunction with the OCA Summer Conference.

You may type or computer-generate information for appropriate application sections. This form may be downloaded from the OIAAA website.
