### NIAAA Membership Information

If you are involved in administrating interscholastic athletics at the high school, middle school or junior high level, you should join the NIAAA. The NIAAA is a national professional organization administered by and for athletic administrators for the purpose of:

- Professional growth of interscholastic athletic administrators.
- Promoting the development of state athletic administrators' organizations.
- Providing an efficient system of exchange between individual members, state associations, and the national level.
- Preserving an educational foundation of interscholastic athletics and the role of those programs in the educational mission of the school.

### NIAAA and OIAAA Membership Benefits

- Interscholastic Athletic Administration (IAA) magazine. A quarterly professional journal.
- \$2,000,000 liability insurance while performing the duties of an athletic administrator (and additional coverage for those who have taken LTP 501 and LTP 504).
- \$2500 term life insurance policy.
- Ability to purchase Long Term Health Care at discount rates, as well as discounts on Cancer Insurance and Accident Insurance
- Discount on registration for the National Conference of athletic administrators.
- Opportunities to serve on national committees
- Support, communication and informational materials regarding key issues, through interpretation, best practices, research, explanation and education
- Opportunity to nominate students from your school for the NIAAA Scholarship annually
- Opportunity for national recognition through the NIAAA Awards Program
- Access to numerous courses, media and print material pertinent to the role of the athletic administrator.
- Opportunity for children of registered AD's to receive annual scholarships from OIAAA

## [Leadership Training Institute Course Description](#)

*The Foundation Courses provide a base of knowledge and skill that serves as a platform for conducting educationally sound extra-curricular activities.*

### **LTC 510 Athletic Administration: Legal Issues IV (Social Media, Transgender Participation, Event Management & Security, Pregnant & Parenting Student-Athletes, & Intellectual Property)**

This course provides in-depth coverage of the legal standards governing the authority of schools to sanction student-athletes and athletics personnel for misuse of electronic communications tools and inappropriate postings on social media, including strategies for developing and implementing effective social media policies, along with extensive coverage of the legal mandates imposed by courts and legislatures related to event management and security, legal issues regarding the participation by transgender students in school sports programs, the rights of pregnant and parenting student-athletes that must be respected by interscholastic athletics programs, and the intellectual property issues related to schools sports nicknames, logos, and mascots.

*The Leadership Courses provide knowledge and skill that will facilitate development of new visions, creative strategies and innovative practices for educationally sound extra-curricular activities.*

### **LTC 705 Athletic Administration: Coach Centered Educational Athletics— A Character Based Coach to Coach Mentoring Program**

Character based coach to coach mentoring programs utilize the talents, strengths and qualities of the entire team of coaches to maximize the potential of the coaching staff. Mentoring is an attitude, a relationship and an investment which provides coaches the opportunity to support and nurture each other professionally, personally and ethically. This course will highlight mentoring models that demonstrate key behaviors to implement when establishing an effective coach mentoring program. It will also provide athletic administrators strategies and methods to develop and enhance successful coach to coach mentoring programs.
